CHOCOLATE FANTASY...it is time to be thinking of donations to be made to our annual auction. If you have not signed up for a way to help out, contact Angela Blewett at **208-484-8264** or Tesse Pineda at **208-451-5052**. No doubt either of these wonderful ladies will have ideas on how and where you can help put together this amazing event.

BASKETBALL COACHES...we continue to have a mess in the PE equipment room and it is very frustrating to the teachers who teach PE to think that the equipment they need to use for class will be easily available to them in the correct places. Unfortunately, this is not the case. It appears that children are going into the room and displacing items willy-nilly and not putting things back in their correct places. To eliminate the need for children to go into the PE equipment room, there will be a 33-gallon bin left in the gym with six basketballs inside for teams to use while practicing. Please return the balls to the bin at the end of practice and we will put them away. The PE equipment door will be locked so that no one inadvertently goes in and things become a jumble again. Thank you for adhering to this new routine.

CATHOLIC SCHOOLS WEEK...we are still finalizing the activities for this week. Some of the events will be a kick-off on Monday, the alumni luncheon, Catholic quiz-bowl, and other fun items. More information will be coming next week as dates are finalized!
