Chocolate Fantasy Help

The 2019 Chocolate Fantasy Committee would like to thank everyone who has already volunteered to help us plan the event! We have had many of our positions filled, and just have a few more areas we need help in. Please consider being a part of one of these teams:

- **Co-Chair:** This year you would be working with 2 other people to facilitate the 2019 auction. Responsibilities include attending lunch meetings, making phone calls to confirm advertising, and being present at the set up day, the auction night, and clean-up day.
- **Donations Committee:** This year you would be working with one other person to learn the ropes! Responsibilities include attending lunch meetings, working with a small committee to secure donations for the auction, and keeping the auction items organized and listed in a book.

If you are able to help with any of these tasks, please text or call Tesse Pineda (208)451-5052. Thank you for your consideration! Merry Christmas!

Christmas Greetings

The staff at Saints Peter and Paul School wishes you all a very blessed Christmas! We are very grateful to have the opportunity to work with each one of your children. Getting to know each of them individually is a real blessing in our lives. We would also like to thank all of those who responded to the Alumni Letter with monetary gifts to help support the school. We hope you get to spend some time enjoying your children, family and friends over the Christmas break. May the light of Christ touch each of your lives in the coming year.

Merry Christmas and we will see you in 2019!

Advent Services at SPPS

Throughout the month of December the different classes in grades 3-8 led an Advent Service. Father John blessed the Advent Wreath at the first service. During these services the students pray, sing, and light the next candle of the Advent Wreath. Advent is a time of prayer, penance, and the anticipation of the coming of the baby Jesus. Each of these sessions has a traditional ending with the leader saying "Come Lord Jesus" and all responding "Come Quickly!" The picture above is of the 7th and 8th grade leading the December 13th service. For the color picture see the electronic version sent to your e-mail.
