Rodeo Clean Up

Each year SPSS families clean up the rodeo grounds each morning during Border Days (this year the dates would be July 2nd, 3rd, and 4th) as a fundraiser for our school. We clean up all the trash and recycling items from the grounds and bleachers. The school makes around \$750 each year by doing this, and it is a great community service deed as well. Each family will be "assigned" a day to come and help, (the family list will be split three ways, in alphabetical order). Adams-Green, Holes-Perez, Pineda-Wolter. You are welcome to come on more than just your day or a different day if you have a scheduling conflict! If you need volunteer hours for this year, or want to get a head start on next year's hours, or just feel like helping out, it would be great to see you and your family there! Don't forget that students in grades 5-8 count towards your volunteer hours as well! We start at 6:30am and it usually only takes about an hour if we have a decent turn out. We are currently in need of two people to sign up to chair a day of clean up. Thank you so much for helping with this volunteer opportunity that supports our school, your help is greatly appreciated.
