

Principal's report 2-16-2023

School Safety – The equipment to install the cameras has arrived. They will be scheduling an install date in late February or March.

The 3<sup>rd</sup>/4<sup>th</sup> Grade did a great job preparing Mass on 2/12. The 5<sup>th</sup>/6<sup>th</sup> Grade will prepare the Saturday Evening Mass on 3/11, 5:30PM

The 2<sup>nd</sup> quarter Awards Ceremony was Friday 2/3 at 1:45pm. 77% of students made the Honor Roll.

Patti Kelly – (Brianna Kaschmitter's Mother) is meeting with me to see about helping write a technology grant. She has written many grants in the past.

Catholic Schools Week – Was a success. The service project collected 356 items and a little over \$1000 to support the Neuman Centers in our area. Students also made items for spiritual encouragement. Cougar Catholic, Vandal Catholic, Bronco Catholic, Griz Catholic were the specific centers we focused on. It is important that our High School Grads know about these centers to help strengthen them in their faith during their college years. We only had 13 HS alumni of 36 invites show for the Alumni Lunch. About 8 came to Mass.

SEVIS- (qualify the school for the student exchange). The application was received and has not been rejected (it was 3 other times) so that seems like progress!

There is no school Friday for Professional Development and Monday for President's Day. The PD day will include the staff Spiritual Retreat. Father Joshua Falce from Lewiston will be here to lead the retreat.

LGBTQ – NWEA – Book Lists -

Staff Salary discussions for 2023-24. As requested I have projections for 4%, 6%, and 8% increases.
